PIP Branches is the latest product from PIP.

PIP Branches provides the store lists for the major Retailers in the UK, including the top 500 Retailers in the UK.

- Check where a retailer is located.
- Ideal for corporate finance research purposes.
- Assess the investment strength of a town by checking which Retailers are located in a town.
- Includes the Top 500 Retailers (which amounts to 80% of the retail market in the UK).
- Provides you with a branch list for those retailers you suspect are "imminent" administration /receivership cases.
- Locate where your Client should be by checking which towns the opposition are in.
